## **Structural Funds: Investing in Roma**

- ***Summary of main findings and conclusions of the EUroma+ Network report on the use of the Structural Funds for Roma inclusion, carried out in the 8 countries participating in the project.***

**Carolina Fernández-** EUroma Technical Secretariat

- ***Partnership Agreements: How has Roma inclusion been incorporated in PAs? Main progress made.***

Round of interventions from all Network partners.

Some questions to facilitate the debate:

- In terms of policy approach, how would you describe the progress made in the PA as regards the previous programming period?
- Does the PA in your country foresee targeted actions for Roma inclusion?
- To what extent are measures related to the access to general services, vocational training and education and the labour market, expected to reach the Roma?
- Are there measures to support the physical and economic regeneration of deprived urban and rural areas, including the reduction of the spatial concentration of poverty, in the PA, and to what extent are they expected to reach the Roma?
- Does the PA establish a favourable framework for an integrated approach aiming at Roma inclusion?
- How is the horizontal principle of non-discrimination reflected in the PA?
- To what extent is the PA in your country aligned with the NRIS?
- How would you assess the application of the Partnership Principle in the planning process of the PA in your country? Has the European Code of Conduct on Partnership played a key role in this process?
- ...
